

Dear Co-Laborers,

There are times in our GRM history that are so blessed of God and so marvelous, they seem like chapters from the book of Acts.

Such an event just took place on July 4th, Independence Day. On the day we celebrated liberty from oppression, we set our 100th Christian family FREE from the oppression of brick makers prison! The banner on the front page was made by our leaders in Pakistan by faith, BEFORE IT TOOK PLACE!

To begin to understand the magnitude of this blessing, first of all, the family was delivered in less than 48 hours after funds were sent. But I'm getting ahead of myself. Let me back up a bit and tell you more of the story.

Some of you know that I love to study God's Word. I had the privilege of taking 3 years of Bible Interpretation class in Bible School in both Greek and contextual studies. I have studied Bible numbers since I was a young minister. If you study the Bible from Genesis to Revelation, you will find God has His favorites. Every Bible student understands this. For example, 40 speaks of testing and refining, like the children of Israel wondering for 40 years.

Let me first mention that it is not numbers we're looking at when we redeem Christian slaves. In fact, many times we have been so involved in redeeming them that we had to go back to our spreadsheets and count them. When you are involved in something so life changing, it takes much prayer, persistence, and God's compassion. As I was in prayer, the Lord prompted me to study the number 100.

I began to study this right away and was so touched that I wrote a small article on it. What really touched me was when Abraham was 100 years old, he received the child of promise, Isaac. Is it not interesting that we are delivering God's people from the religion and bondage of Ishmael's people? You see, God loves our faith in His Word, He loves anticipation, and faith that leads to a deep trust in Him and His ways.

98th, 99th and 100th FAMILY Set FREE!

### IT'S REALLY 100 MIRACLES

When looking back, we can honestly say it took a miracle for every family set free, especially the first 40! Brick masters fought and threatened us, and hid from our leaders. Why? We were taking their best workers from them. After the first 40 families, our program went into another gear. Some key government people got involved. At 70 families, we experienced a major shift. The bank of Pakistan gave us full blessing in sending funds through them to our Christian missionaries. This is unheard of—BUT GOD!

### GOD'S PEOPLE, THE BODY OF CHRIST DESERVE TO BE RECOGNIZED AND BLESSED!

When Teresa and I started this program, we knew it was God our Father. But never did we dream that we would be at 100 families so quickly! We reached out to the body of Christ through special mailers, emails, and personal calls. THEN, one by one, people began to help.

Several times, we gave our last dime to deliver a family. We have even gone without personal salaries at times in the beginning. This was part of our testing and proving time. Sometimes funds did not come in until the last moment.

We have a few faithful helpers now. But every gift, large or small, helps and makes a great difference, especially when we have a slave that must be ushered to the hospital the day of deliverance because they are so sick, just like Noreen from our most recent family.

### OUR 100TH FAMILY BROUGHT MANY TEARS

God's amazing grace attended the deliverance of our 100th family. It happened so quickly! It reminded me of the children of Israel leaving Egypt with haste. This has NEVER HAPPENED BEFORE. To release a family is a 3 week process. With a multi-family, it is really three families so we have to get three houses ready. Schools are alerted that we are placing children, food is purchased, then vocational trades are provided for the father of each home. Most of the slaves are not even registered, so they have no identification. This is why many of them don't even know how old they are. So we do all of this. It's a big legal process, but we have been called and blessed to do this.

### THE QUICKEST DELIVERY EVER!

It usually takes three weeks to set families FREE, especially when you have 20 people involved. They have to be ready with vehicles and help move the families quickly before the brick master has time to rethink his decision to release them. Our last 3 families were facing Teresa and I on Skype less than 48 hours after we sent the funds! We had to pinch ourselves. God's people prayed and we were able to get Noreen, a mother of 3 at the verge of death, to the hospital in time to save her. She was only 57 pounds dying from TB.

Thank you to all who give to our Isaiah 58 Program. Your gifts take care of these emergencies and MUCH more. Just know you may be saving a persons life. We will keep you updated on Noreen's progress.

Praise God we were able to get medical attention for Noreen the same day!

### WHAT'S NEXT IN OUR ISAIAH 58 PROGAM?

We are moving forward to the next 100 families. We could never stop this ministry to God's oppressed people. Through God's grace, we will continue until Jesus comes!

### Next families, Lord willing, to be set FREE in August!

### I WILL BE PRAYING FOR YOU!

For the next month, I am praying for all ISAIAH 58 co-laborers! I have asked Teresa to print out YOUR names FOR MY PERSONAL PRAYER LIST. I have committed to praying for every person for the next 40 days. "Praying always with all prayer..." Eph. 6:18

### THIS MONTH AT GRM

Building the wall at the Bondo School in India!

### PRAYER & PRAISE

We thank the Lord and his people for this wonderful celebration time in reaching our 100th family. We have come a long way through faith and the love of God's people! Thank you!

### Urgent prayer need for India:

Needs were met for the most expensive part of the project for the Bondo School, so the children can get back to school. Special friends helped us get the project started and more than half funded. We still need:  
- Side iron gates- \$600  
- Commercial refrigerator -\$750  
- Commercial washing machine—\$1,200  
- 2 Commercial drinking water filters- \$400  
(We only need \$2,950 to finish everything)!

### Special News:

We begin to make plans for maybe one of the greatest outreaches in GRM history for the safety of the gospel in India.

GRM is proposing to build a full blown missions station in India that will reach every state and major city. I can't give a lot of details, as persecution has risen and many Christian ministries have been kicked out, but the Lord has given us a plan. Brethren, pray for us!

YOU can help in a BIG WAY with just a SMALL gift of \$5, \$25, \$100 or more!

HELP THE COMMISSION OF CHRIST  
By Equipping Native Leaders

John and Teresa Are Celebrating 40 PLUS Years of  
Ministry Together since 1977

John and Teresa Musser founded *Gospel Revival Ministries* in June of 1980. For approximately 25 years, John traveled as an itinerant evangelist *speaking in high schools, hosting Capture a City for Christ Crusades, and conducting revival meetings.* In 1985, as a result of a revival movement that broke out when John was ministering in northern Nebraska, GRM was propelled into a global ministry. GRM mobilizes hundreds of native workers focusing on the most restricted (closed) areas of the world in search of hidden peoples and the unreached. Many of these people groups have never heard the gospel message and have no known mission agency working with them.
